Each boat shall carry its country of origin flag on both sides of each mainsail. (These flags will be provided by the Australian 18 Footers League with instructions as to the positioning on the mainsails).

25 OFFICIAL TELEVISION PRODUCTION

The Organizing Authority may commission an official television production. Co-operation may be sought from skiffs with regard to this official production.

As part of any official television production, camera boats will be on the race course each scheduled race day. Skiffs must be aware of the presence of the camera boats. As these camera boats form part of the official television production skiffs shall treat these camera boats as an obstruction with regard to Part 2 of RRS 2017-2020.

In each race, at the discretion of the Organizing Authority, two skiffs may be compulsorily equipped with head mounted cameras. The allocation of the cameras will be rotated in an equitable manner. These cameras are for the official television production.

27 INDEMNITY

All those taking part in the regatta do so at their own risk and responsibility. The Australian 18 Footers League Ltd is not responsible for the seaworthiness of a boat whose entry is accepted or the sufficiency or adequacy of its equipment.

Attention is drawn to Fundamental Rule 4 (RRS 2017-2020) Decision to Race, which states: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone".

28 PRIVATE OR TEAM SUPPORT BOATS

28.1 All coach, team leader and other support boats shall, while afloat, display a numbered white flag of minimum size 300mm by 500mm to indicate that they are a coach or support boat. Coach, team leader and other support boats shall keep more than 150 metres away from all competitors, and more than 150 metres away from marks of the course between the Preparatory Signal and the finish time of the last boat in the race, except when asked to assist by the Race Committee. 31.1 Skiffs shall not interfere with the commercial or defence shipping of the port. The attention of skippers is drawn to Roads and Maritime Services regulations regarding right of way vessels entering or leaving port, ferries displaying orange diamonds and vessels engaged in towing. Roads and Maritime Services regulations specify “priority over sail”-some commercial ferries on Sydney Harbour display an orange diamond shape which grants priority of way over sailing vessels.

ADDENDUM 'B'

REPORTING MARINE ACCIDENTS AND THE MARINE SAFETY ACT 1998 AND THE MARINE SAFETY (GENERAL) REGULATIONS 2009.

The provisions of the Marine Safety Act 1998 (the Act) came into operation on the 30th March 2009.

The Marine Safety (General) Regulations 2009, (The Regulations) also came into force on the 30th March 2009.

They may be accessed at www.legislation.nsw.gov.au

The Act and Regulations replace the obligation under section 30G of the Maritime Services Act 1935 to report marine accidents involving death or injury or damage exceeding \$100.

The Act and Regulations also replace the provisions of a Memorandum of Understanding between NSW Maritime and Yachting NSW which related to collisions between racing vessels. The MoU was not widely circulated or understood by Clubs.

Under section 99 (1) of the Act a master and owner have an obligation to report a marine accident.

Regulation 96 sets out the conditions where a report is not required, and is therefore required in all other circumstances, and substantially changes the reporting requirements. It has particular relevance to racing yachts competing subject to an Aquatic License granted to a Club.

Three separate situations are referred to in Regulation 96 and these are set out in the following Table and state the conditions where a report IS required.

Types of vessels involved Conditions for reporting

Vessels two or more ALL of which are NOT racing. Fatality or personal injury or Damage exceeds \$5000

Vessels two or more of which ALL are racing Fatality or personal injury or Damage exceeds \$5000

Vessels one of which is racing and one of which is not racing Fatality or personal injury or Damage exceeds \$5000
